The NKF Council of Nephrology Social Workers, Provider #1014, is approved as a provider for social work continuing education by the ASWB through the ACE program. The NKF Council of Nephrology Social Workers maintains responsibility for the program. Social workers participating in this course will receive 6 continuing education clock hours. Licensed social workers should contact their individual jurisdiction to review current continuing education requirements for licensure renewal.

Declaration of Disclosure: It is the policy of the NKF to ensure balance, independence, objectivity and scientific rigor in all CME/CE activities. Any individual who has control over CME content is required to disclose to learners prior to the activity any relevant financial relationships they may have with commercial interest supporting this activity or whose products or devices are discussed in this activity. If on the basis of information disclosed, a perceived conflict exists; resolution will be achieved based on NKF's Disclosure and Conflict of Interest policy.

Unlabeled Investigational use Declaration: During their presentations, faculty may discuss an unlabeled use or an investigational use not approved for a commercial product. Each faculty member is required to disclose this information to the audience when referring to an unlabeled or investigational use. The faculty and the NKF do not recommend the use of any pharmaceutical, diagnostic test, or device outside of the labeled indications as approved by the FDA. Please refer to the official prescribing information for each product for approved indications, contraindications and warnings.
